

Pleasant, Refreshing, Beneficial.

Syrup of Figs and Elixir of Senna appeals to the cultured and the well-informed and the healthy because its component parts are simple and wholesome and because it acts without disturbing the natural functions, as it is wholly free from every objectionable quality or substance. In its production a pleasant and refreshing syrup of the figs of California is united with the laxative and carminative properties of certain plants known to act most beneficially, on the human system, when its gentle cleansing is desired. To get its beneficial effects, always buy the genuine, for sale by all reputable druggists: one size only, price fifty cents a bottle. The name of the company—California Fig Syrup Co.—is always plainly printed upon the front of every package of the genuine.

THE LADIES STORE

SPEND THE MONEY IN MOTHER'S HONOR

The Children With the Button Bags
Will Be at Large Today.

Today is the day of the big sale of buttons and valentines by the children of the city, the proceeds of which are to go to the Associated Charities. Incidentally the main purpose of the sale is to stimulate public sentiment into a proper observance of Mothers' day, which will be tomorrow. To that end it is expected everybody will buy one or more buttons and one or more valentines, wear the buttons in honor of Mothers' day, send the valentines to his own or somebody else's mother, and indirectly contribute as liberally as possible to the resources of the Associated Charities. There is no more worthy or needful an organization anywhere.

The committee in charge, Mrs. Emory Kays, Mrs. B. A. Fowler and Mrs. H. B. Wilkinson, yesterday met quite a number of children at the store of Elvey & Hulet and arranged with them for today's sale of buttons and valentines. The committee will be at the store again today from 9 o'clock this morning until late this evening to give out bags and refill them if necessary, and to replenish the supply of valentines.

The children are urged to report promptly and in force and swell their sales as much as possible. The children selling the most buttons will receive a cash prize of \$5. There will be some lesser prizes, but they have not been announced. And the public is urged to patronize the children as liberally as it can afford to.

Never hesitate about giving Chamberlain's Cough Remedy to children. It contains no opium or other narcotics and can be given with implicit confidence. As a quick cure for coughs and colds to which children are susceptible, it is unsurpassed. Sold by all dealers.

MAJESTICS READY TO MEET GAS COMPANY BOYS

Thespians Say They Will Cover Fifty Dollar Bet.

Now that the Pacific Gas and Electric company baseball team has publicly challenged the Majestics through the columns of yesterday's Republican, Manager Fred Lancaster announced last evening that his team would take up the fifty dollar bet suggested by P. G. & E's. Manager Lancaster wishes it understood that in accepting the challenge and the bet that it is not at all a matter of the money but simply is a desire to show that the Majestics are sports and not "sore-heads." He suggests that the game be played on Sunday, May 22.

Speaking of the coming game between the Majestics and the Adams Hotel nine, Manager Lancaster said that his boys are not in the habit of saying much before a game. Such campaigners as the Majestics can afford to keep quiet and let their actions suffice. "We will let the other team do all the crowing," said Manager Lancaster, "but we will let them know we are still in the ring and ready for battle when we get out on the diamond. We are going to shut out the Hotel Adams team. We are not quibbling about the personnel of that team so long as none but employees of the hotel are placed upon the nine."

"I have a good body of hardworking, conscientious boys and some players, too. One word from their captain and they do as they please. That is their motto. We will start practicing for the coming games on Monday next and the Park street grounds are bound to be the scene of some pretty lively practice work for the next few days."

Manager Lancaster wants the Pacific Gas and Electric company team to come across with the fifty dollars and if they do his team will meet them on May 22 just to humor their previous opponents.

WEARING GLOVES AT WORK.

A woman should not make her hands tender, but it is well to protect them from rough usage. When sweeping or gardening wear a pair of loose gloves. Chamberlain's are excellent for some kinds of rough work. Be careful in washing your hands. Use soft water if possible, and if the water is hard add out meal to soften it. Rinse your hands with cold water after washing and dry thoroughly.

The splendid work of Chamberlain's Stomach and Liver Tablets is daily coming to light. No such grand remedy for liver and bowel troubles was ever known before. Thousands bless them for curing constipation, sick headache, biliousness, jaundice and indigestion. Sold by all dealers.

CONDEMNATION SUIT

FOR BUCKEYE RAILROAD

Action Begun Yesterday Against G. W. Binkley and Wife.

Condemnation proceedings were begun yesterday by the Phoenix & Buckeye railroad against G. W. Binkley and his wife to secure a right of way through lot 16 of block 8 of the Irvine addition. This lot lies in the middle of the block bounded on the north by Buchanan street, on the east by Ninth avenue and on the south by Lincoln street. The line of the railroad's right of way so far secured lies a few feet north of Lincoln street. It is stated in the complaint that a bona fide offer for the property had been made to the defendants, but that they had rejected it.

This is one of the tracts involved in the dispute when the company was trying to secure from the council a franchise on Buchanan street. Mr. Binkley at that time estimated the damage he would suffer by reason of the road running along the street in front of his property at \$750, which he believed was half the value of the property.

Actual construction work has been begun on the road, and it is estimated that the grading will be completed within about sixty days.

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one that has used it. Sold by all dealers.

THE ROUND.
A young man loves a maiden,
Who loves another instead;
That other loves another,
And wins her, and so they are wed.

The maiden piqued, and to spite him
Goes promptly off to church
With the first good man she falls in
With;
The young fellow's left in the lurch.

All this is an old story,
Yet somehow always new;
And when you're cast for the hero,
Your heart just breaks in two.
—Heine.
